

Flu Boo the 4th was held October 26, 2011 and was the BEST EVER.

We administered 188 flu vaccines to patients and their friends and families in under 4 hours!

To help stream-line the process, we will have On-line registration available for Flu Boo V to be held next year.

We awarded 2 pairs of Houston Texans Tickets to our 2 raffle winners to be a part of the Houston Texans Winning Season!
